

H.B. No. 6684 AN ACT EXCLUDING CERTAIN TARGET SHOOTING PISTOLS FROM PROVISIONS ON ASSAULT WEAPONS

I support passing H.B. No. 6684, An act excluding certain target shooting pistols from provisions on assault weapons.

Target shooting pistols are not the type of firearm commonly used by criminals in the commission of crimes.

Current law makes it difficult for athletes to compete in target shooting events.

Please support H.B. No. 6684

Thank you,
